

Dear Editor

Kindness Appreciated

Editor,
Torrance Press:
This letter is to the many friends we have. There just aren't words to express how thankful we are to them.

Our little boy was killed two weeks ago, and since then they have all been so helpful and kind.

We are so happy to have such a wonderful neighborhood. People we hardly know have been so kind, we wish to extend our sincere thanks to them all.

At a time like this, it has really helped to lessen the sorrow we feel.

To everyone thanks, may God bless each and every one.

Sincerely,
(s) Mr. and Mrs. D. T. Bodily,
3343 West 180th street.

Attention: Legionaires

Through this newspaper, I want to call the attention of all members of the Torrance Post that our sponsored American Legion Junior Baseball team won again on Sunday, August 21st, from the Inglewood Post team, the score being 7 to 3; this being four (4) or more games in a row won by your team.

This is an elimination contest, the next game your team will play will be in the evening at 7 p.m. at the La Palma Stadium at Anaheim, California, an easy car drive of 75 minutes.

The team has gone a long way and needs your support by your attendance, if possible. Phone one of these numbers as to the date of the next game: the City Recreational Office, FAirfax 8-4108; or my office of FAirfax 8-3647.

Dated August 22nd, 1955.
BILL KALBFLEISCH
Commander,
American Legion Post 170.

Chest Campaign Volunteers

Editor
Torrance Press
A grateful thanks to all of the generous friends in the community for contributions in time and money to last year's successful Chest campaign.

As this year's campaign nears, another volunteer army is being enrolled to make collections for the Red Feather appeal.

This year more volunteers will be needed because we cannot ignore the needs of the 168 Red Feather agencies that are striving to combat the pressing social problems, such as juvenile delinquency, that are brought about by the "growing pains" in all Southern California communities.

During the next month if you are asked to serve in some way to help the Community Chest, please accept willingly and join your fellow citizens, your neighbors and friends in this great humanitarian appeal.

By volunteering you are demonstrating that power of positive doing which is becoming typical of Harbor Area communities and characteristic of its citizens.

Sincerely,
(s) JAMES VISCEGLIA
Harbor Area Chairman

Mayfair's Own

We're mighty particular at Mayfair about the products we put our own "Mayfair" and "Mayfresh" labels on. They've got to be good enough to stand up proudly alongside the national brands we sell, and they've got to be good enough to warrant the unconditional guarantee we back them up with. So, when you see them on our shelves, you can rest assured they are of highest quality, and . . . you'll be delighted at the low prices.
